

**RESOLUTION No. 2015 - 44**

**RESOLUTION AUTHORIZING SUBMISSION OF  
POLLUTANT MINIMIZATION PLAN FOR POLYCHLORINATED BIPHENYLS  
FOR THE CARNEYS POINT TOWNSHIP SEWERAGE AUTHORITY**

*WHEREAS*, in accordance with the New Jersey Pollutant Discharge Elimination System Permit Number: NJ0021601 the Carneys Point Township Sewerage Authority is required to prepare and submit a Pollutant Minimization Plan for Polychlorinated Biphenyls (PCB PMP) to the New Jersey Department of Environmental Protection (NJDEP) and the Delaware River Basin Commission (DRBC); and

*WHEREAS*, in accordance with the DRBC Pollutant Minimization Plan (PMP) Rule 4.30.0, the Carneys Point Township Sewerage Authority (CPTSA) is to make a good faith commitment to enact the PMP in an effort to reduce discharges of PCBs to the Delaware Estuary from the CPTSA Treatment Plant by following the PMP process.

*NOW, THEREFORE, BE IT RESOLVED*, by the Authority Chairman and Board of the Carneys Point Township Sewerage Authority of the Township of Carneys Point, County of Salem, and State of New Jersey, as follows:

1. That the governing body does hereby approve the submission of the said Pollutant Minimization Plan dated November 2015 as prepared by Sickels & Associates, Inc. on behalf of the Carneys Point Township Sewerage Authority.
2. That Anthony Rullo is hereby authorized to execute the Good Faith Commitment and submit said Pollutant Minimization Plan on behalf of the Carneys Point Township Sewerage Authority.

*THIS RESOLUTION* shall take effect immediately.

*ADOPTED*, at a regular meeting of the Carneys Point Township Sewerage Authority on November 17, 2015.
