

CARNEYS POINT TOWNSHIP SEWERAGE AUTHORITY

RESOLUTION 2017-18

AWARDING MILLER AVENUE PUMP STATION ELECTRICAL IMPROVEMENTS PROJECT

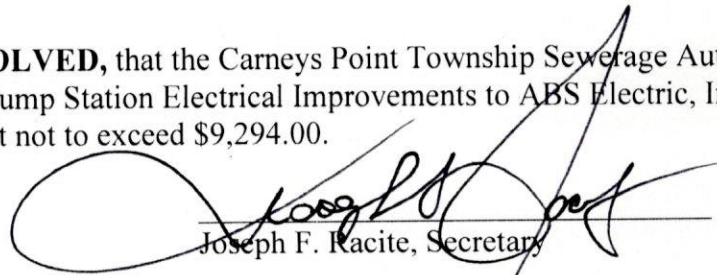

WHEREAS, the Carneys Point Township Sewerage Authority has a need to make electrical improvements to the Miller Avenue Pump Station; and

WHEREAS, the requirements for such electrical improvements were prepared with written specifications and solicited to four electrical contractors for quotations by the Authority's State of New Jersey-licensed Professional Engineer; and

WHEREAS, the four (4) prospective contractors contacted were Jack Plale Electrical Contracting Stacey Davis Electrical Contracting, ABS Electric, Inc., and JSR Generator Services, LLC; and

WHEREAS, the Carneys Point Township Sewerage Authority received two quotes for this electrical improvement and ABS Electric, Inc. provided the lowest quote in the amount of \$9,294.00, and

THEREFORE BE IT RESOLVED, that the Carneys Point Township Sewerage Authority has awarded the Miller Avenue Pump Station Electrical Improvements to ABS Electric, Inc. of Monroeville, NJ in an amount not to exceed \$9,294.00.

Joseph F. Racite, Secretary
