

**CARNEYS POINT TOWNSHIP SEWERAGE AUTHORITY**

**RESOLUTION 2020 - 49**

**Resolution Authorizing Sewer Capacity Reservation Agreement**

**WHEREAS**, Verizon Wireless would like to construct a data center at 2 Collins Drive in Carneys Point Township; and

**WHEREAS**, Verizon Wireless has requested a Sewer Capacity Reservation Agreement with the Carneys Point Township Sewerage Authority (the "CPTSA") in order to build the data center; and

**WHEREAS**, the CPTSA Engineer has reviewed this matter and determined Verizon Wireless will need a capacity reservation of 400 gallons per day and that the connection fee will be \$8,890.00, which is set forth in the CPTSA Engineer letter dated December 8, 2020; and

**WHEREAS**, according to the CPTSA Rules and Regulations, Verizon Wireless must post 50% of the connection fee in order to obtain the capacity reservation it requires and such payment will reserve the capacity for 2 years.

**NOW, THEREFORE BE IT RESOLVED**, by the CPTSA that the sewer capacity reservation and connection fee set forth in the CPTSA Engineer's letter is approved, subject to the parties entering into a Sewer Capacity Reservation Agreement.

Anthony Rullo, Authority Chairman

Date of Adoption: December 15, 2020
