RESOLUTION 2020-07

DECLARING AN EMERGENCY AND AUTHORIZING THE  
RBC 2D ELECTRICAL REPAIRS AT THE  
CPTSA WASTEWATER TREATMENT PLANT

WHEREAS, on January 24, 2020 the operations staff notified the Engineer regarding failure of the electrical service for RBC 2D at the CPTSA Wastewater Treatment Plant; and

WHEREAS, Authority personnel immediately installed a temporary electrical cable at grade to provide temporary electrical service; and

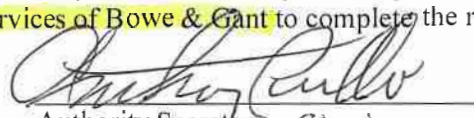

WHEREAS, due to the emergency nature, the Authority <sup>Bowe + Gant</sup> called in Jack Plale Electrical to perform the repair, which will include repair of the electrical service; and

WHEREAS, the Authority Engineer has reviewed the electrical failure and the proposed repair work; and

WHEREAS, the Authority Engineer in coordination with the Authority operations staff will verify the work, review the invoices, and provide the Authority with a recommendation for payment; and

WHEREAS, due to the potential threat to the health and safety risks to the operations staff, as determined by the Authority Engineer and licensed operations staff, the proper course of action is to repair the electrical service to RBC 2D immediately, without the benefit of the Public Bid process;

NOW BE IT THEREFORE RESOLVED, the Carneys Point Township Sewerage Authority does hereby declare this event an emergency and authorizes the services of Bowe & Gant to complete the repair.

  
Authority Secretary Chairman

Date of Adoption: February 18, 2020
